**NUCLEOTIDE SEQUENCE AND/OR AMINO ACID SEQUENCE DISCLOSURES,  
REPLACEMENT FIGURES, AND VERIFIED STATEMENT UNDER 37 CFR §1.821(F)**

Dear Sir:

Applicants submit replacement Figures 4 and 5 to correct formatting errors in the original figures; however, replacement figures do not add any new matter. Also enclosed is a corrected copy of the Sequence Listing in computer readable form and a printed version of the Sequence Listing of the subject application, which are both identical.

Under 37 CFR 1.1821, I hereby verify that the computer readable diskette enclosed herewith includes the same information as provided in the Sequence Listing of the subject application, and that this statement is made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of the Title 18 of the United States Code and that willful false statements may jeopardize the validity of the application or any patent issued thereon.

If any fees are due in connection with the filing of this response, authorization is hereby given to charge the amount of such fee to Deposit Account No. 10-0750/CEN0250NP/GKT in the name of Johnson & Johnson.

Respectfully submitted,

/Guy Kevin Townsend/
